ABC Behavior Data Collection Sheet

Antecedent, Behavior, Consequence. One sheet per student. Write each entry as soon as you can.

Student: _____ **Teacher:** _____ **Week of:** _____

Record what you observed, not what you assume. Write actions and words, not motives or labels ("said 'No' and walked away," not "defiant"). If you did not see what came before, write "not observed."

Date / Time	**Setting** Activity, location	**Antecedent** What happened right before	**Behavior** What you saw or heard	**Consequence** What happened right after	**Observed or reported?** If reported, by whom
